

The Ashton Herald part of the Newspaper Collection at BYU-Idaho

Below is the external link to [The Ashton Herald index](#), a weekly publication. BYU-Idaho has images covering the years 1922-1985 (not comprehensive, see below, missing years and months of some years)

Instructions to search

- Click a year in the index and open the single file with all the collection images.
- You can then use the shortcut to “Find in page,” press keys Control and F at the same time.
- Add your search term to the box, examples include:
 - family name
 - event
 - date- formatted as month spelled out and day in digits
- It will highlight any instances of the word you are searching and you will see the highlights on the far right side of the page. You can click down on the results to go to the next result.

Not all pages have the date of publication, so click a few pages back in the images to find the date of publication. We continue to strive to make our Newspaper Collection more accessible and searchable. Happy searching!
